

# Cornerstone Insurance Agency

October 1, 2011

Mike,

I appreciate the great work that you did in selling my agency. As we discussed before, I interviewed multiple brokers to handle the sale and your company was by far the most professional and knowledgeable about the industry. You worked diligently to help me meet my objective and brought multiple qualified buyers to the table in a very short period of time. I will certainly refer my friends and associates in the industry to your company in the future should they need your services. Best wishes and thank you again.

Yours Truly,
