We're on cloud nine and the impossible has been completed thanks to Lou and his team. We met Lou at the FAIA in Orlando in 2010; shortly after Lou did an evaluation on our agency. Unfortunately, the market conditions didn't allow us to complete the process at that time.

So here we are in 2018 and had a new evaluation done in April and had an offer by the end of the month. Lou and his team helped us through the due diligence, held our hand when we needed it and made the entire experience painless. We closed the sale at the end of June and are ready for a new adventure!

Agency Brokerage totally understands the Insurance Business and all the nuances; let them help you they'll get the job done. .
