Woodstock Music Festival invites “Special Woodstock” into its legendary community!

Vancouver Island BC, September 29, 2014

Shelley Smiley Vaags, founder of “[Special Woodstock](http://www.specialwoodstock.ca),” received an email from New York, from the partners of the legendary **Woodstock Music Festival**, expressing interest in “[Special Woodstock](http://www.specialwoodstock.ca).”

“[Special Woodstock](http://www.specialwoodstock.ca)” is a music festival featuring talented people with disabilities alternating with professional musicians

from Vancouver Island, and has been in operations since 2000.

Jen Roberts, a partner in Woodstock Ventures in New York wrote:

“We are the original producers of the Woodstock Festival and owners of the copyrights and trademarks of the Woodstock name and logo. We love what you are doing, and we would be delighted to support your work.”

In short order, a contract was signed, permitting “Special Woodstock” to use Woodstock Ventures’ trademarks to promote this year’s “Special Woodstock” in Duncan. We are excited to add that “Special Woodstock” will now be featured on the Woodstock Ventures website, explaining what the festival is all about, along with pictures, video and t-shirts for sale to help raise the money needed to produce a quality festival for our Island community.

Website addresses for the two organizations are:

- For Special Woodstock: www.specialwoodstock.ca
- For Woodstock Ventures: www.woodstock.com

“Special Woodstock” takes place on the third Sunday of every August at Providence Farm in Duncan, BC. You can see us on YouTube: <https://www.youtube.com/watch?v=lbRFdWDi-Kw>
