The purpose of this Cross Reference Guide is to help assist you in searching for a Busse product that is either an exact match or comparable to another manufacturer's product(s). This information is based on our best estimate of another manufacture's published information at the time we collected this data. The products listed are recommended starting points to help search for an equivalent product. We recommend that you request a sample of the Busse product you have an interest in to insure it is exactly what you want.
