Post Mortem Bags and Kits

When specifying post mortem bags/kits and shroud sheets/kits you can choose between a wide variety of styles and materials. The Busse product line is made of strong, high grade plastic with bound edges and heavy duty, rust-proof nylon zippers. They are all latex-free. Our designs conform to OSHA's universal precautions regarding containment of body fluids and protection from bloodborne pathogens. A PVC Free line is also offered in addition to the existing PVC products.

Make these products your preferred choice.

INTRODUCING EVA POST MORTEM BAGS

PVC FREE

These bags and kits are offered for those concerned with meeting environmental requirements. Our EVA post mortem bags comply with EPA chlorine free burn requirements which allow for safe incineration. They also conform to OSHA and CEC standards.

While this material retains many of the properties of polyethylene, it has more flexibility and is known for its superior quality in softness, resilience and impact strength.

The PVC Free bags and kits contains the same components as the corresponding PVC styles.

PVC FREE STRAIGHT ZIPPER BAG **CATALOG NO. 914**
(Same as Catalog 901)

PVC FREE CURVED ZIPPER BAG **CATALOG NO. 916**
