

IT'S ALL ABOUT THE FEEL

STERILE LOR SYRINGES

NEW & IMPROVED DESIGN!

Busse Sterile LOR Syringes are designed to help accurately detect the epidural space. This unyielding attention to detail results in exceptional feel and fluidity in plunger movement.

FEATURES:

- Plunger design maximizes sensitivity to enhance detection of loss of resistance
- Precision fabricated luer tips for smooth connection
- Designed for both air and saline techniques
- Clear, precise, calibrated graduations
- Barrel and plunger prevent accidental disconnect
- Broad and textured thumb pad to prevent thumb slippage
