

in the deep cold  
you can't be brave

in the deep cold  
you can't be safe

when the wind blows  
you can't be strong

when the wind blows  
you won't be strong

blows with a spine chilling

moan

let's drink to each other  
and drink each other half to death

i'm jumping out of my skin  
i'm jumping out of my skin again
