About Bluesky

The Bluesky brand is synonymous with high quality, thoughtfully designed homes and developments. Our attention to detail, customer service and after sales has helped us earn the reputation of one of the regions most trusted and respected developers.

Bluesky and its associated companies are a strategic alliance which has helped the bluesky brand become synonymous with high quality, thoughtfully designed developments and bespoke homes.

Because of our attention to detail, customer care guarantee and a commitment to doing things right we are quickly earning a reputation as one of the regions most trusted and respected developers and house builders.

We believe the reputation and expertise of Bluesky is founded on the successful combination of its people and their performance which provides an invaluable framework, within which all employees are empowered to achieve their individual goals and ambitions while working together to meet our common business objectives. This experience gives us the ability to operate both efficiently and effectively.

Featured Properties

1 Pear Tree Rise.
