## Honesty with God

*Learning to Pray from the Psalms*

**Dan Schaeffer**

The Psalms are refreshingly honest, and they give authentic examples of how to pray. In *Honesty with God*, readers will discover the freedom to talk openly with God by uncovering the raw, real prayers of the psalmists who expressed every emotion of the heart—anxiety, anger, gratitude, and delight. As readers follow in the psalmists' footsteps, they'll pray bold, powerful prayers with the assurance of God's unwavering love and the joy and peace of His nearness. This Christian living book is practical for individuals, book groups, and Bible studies.

## Brotherhood

*40 Success Stories and Faith Principles for Black Men in Community*

**Diane Proctor Reeder and Joyce M. Dinkins, general editors**

Recounting true stories of success, failure, and overcoming, Black Christian men share how they've been discipled and trained, and in turn mentored other Black men, including those whom society often writes off. These true stories come from pastors, denominational leaders, educators, and community leaders who showcase how they were "found" by God because of the voice of another Black man who refused to give up on their potential. In this devotional compilation, these faith leaders pass their hard-earned wisdom to the next generation, offering hope through their relatable personal experiences of helping one another and keeping Jesus as their guide.
