reliable....

a leader."

Dedra Morris Memorial Scholarship

SCHOLARSHIPS:

The goal is to provide three scholarships each year - one awarded in each of the three geographic areas of the state.

The amount and the number of scholarships will depend on the success of fundraising. We plan to begin with \$500 each, and work toward \$1000 each.

The scholarship committee will receive the applications and choose the recipients. Our aim is to insure that this scholarship becomes a coveted honor to receive.
