UGA Undergraduate Majors with Stem Designation
Agricultural Engineering
Animal Health
Animal Science
Applied Biotechnology
Atmospheric Sciences
Avian Biology
Biochemical Engineering
Biochemistry and Molecular Biology
Biological Engineering
Biological Science
Biology
Cellular Biology
Chemistry
Chemistry
Civil Engineering
Cognitive Science
Computer Science
Computer Systems Engineering
Dairy Science
Ecology
Ecology
Electrical and Electronics Engineering
Entertainment and Media Studies
Entomology
Environmental Engineering
Environmental Health
Environmental Resource Science
Fisheries and Wildlife
Food Science
Genetics
Geology
Geology
Horticulture
Mathematics
Mechanical Engineering
Microbiology
Natural Resource Management and Sustainability
Nutritional Sciences
Pharmaceutical Sciences
Physics
Physics and Astronomy
Plant Biology
Poultry Science
Statistics
Water and Soil Resources
