Make a Pressie Day: With Christmas only a week away, we here at the Chipmunks SHP are going to put our thinking caps on and create some awesome gifts for our loved ones!

Christmas Treats: We will be making Christmas Rocky Road, Gingerbread and other scrummy goodies!

Movie Mania: Today we are off to the movies to see Charlie's cousin Alvin in Chipmunks: Chipwrecked ☺

Calendar Guys & Girls: A new year, a new calendar! Each child will design and decorate their own calendar to take home ☺

Secret Santa Party: Shhh it's a secret!!! (Lunch is provided today!)

Chipmunks Chill Out (weeks 2 & 3): As many families will be away from Tga during this time, we are having a more freestyle plan for these two weeks. Still fully supervised, still a lot of fun; we will be doing various arts, crafts and exciting activities on site according to how many children we have enrolled for each day.

More importantly, the kids have plenty of supervised time on our play structure! MOST importantly, these two weeks are crazy enough for you parents without having to make lunches so Chipmunks will provide munch/crunch meals for every child, every day of the 'Chipmunks Chill Out' two weeks.

Bowl O Rama: Party Room 1 will be turned into our very own bowling alley, where we will be having competitions throughout the day!

Cool Capoeira: We will be learning the very cool, very skilled art of Capoeira; a demonstrator will be joining us today to teach us some moves!

Life imitating Art: You'll be seeing by the end of today: We will be creating life size, 3d posters of ourselves today!

3d Maze Day: Today we are off to Rotorua to spend the day at the longest, most complex maze about! 1.7 kms of craziness! (Lunch is provided today!)

Candy Crazy: Today we will have a go making our very own candy creations. It'll be crazy!

Kulim Park Water Fight: Pack your togs, towel & a hat because today we will be getting wet!

Mexican Mania: Our first international cooking day! (Lunch is provided today!)

Mad Mosaics: If you can dream it, you can mosaic it!

Beach BBQ: As the rain postponed last holidays BBQ we will be finally firing up the Barbie and having some fun in the sun!(Lunch is provided today!)

Crazy Carnival: Held at memorial park, the Crazy Carnival is full of fun activities, spot prizes and all round awesomeness!

Bag Bonanza: Each child will design and custom decorate their own tote bag- Great for lugging around all those books and Dura-seal you'll be buying this weekend!

Puppet masters: After a wee show from a local puppeteer, we will have a go at making our very own puppets!

Kiwi 360 Tour: Today we are road-tripping to Te Puke to take a tour of the famous kiwifruit orchard, where we will learn why NZ produces the best kiwifruit in the world. We will also be having a picnic lunch on the grounds. (Lunch is provided today!)

Summer Scrapbooking: No better way to remember the lazy, hazy, crazy days of summer than to record it all in our own personalised scrapbooks!
