Member ID: B4D84B - Provisional Certification

Your National Clinical Medical Assistant Certification will expire on May 25, 2025, two years from your certification approval date. It is your responsibility to provide CHP with any required documentation to remedy the "provisional" status of your certification. This documentation includes but may not be limited to a copy of your photo identification indicating you are 18 years of age, a copy of your BOCES completion certificate and a copy of your high school diploma. Upon receipt and review of the required documentation CHP will mail a new member certification package to you.

Please remember to update your Member Profile in the CHP website if any of your personal contact information changes. Please send CHP an email to info@chpcertified.com if your email address changes. It is your responsibility to keep your contact information including your email address and future certifications current.

CHP's online Member Verification can be found on the homepage of www.chpcertified.com. Your Member Verification page will note the "provisional" status of your certification until it is removed.

We look forward to working with you in the future. If you should have any questions, please do not hesitate to contact our office at the telephone number listed below.

Thank you for choosing Certified Health Professionals.

Sincerely,

Loriann B. Pellegrin
Director of Operations
