

# MFA Thesis Signature Sheet

All MFA Students are required to submit a thesis proposal the semester prior to starting a thesis.

The Graduate Programs Coordinator will collect approvals. Approvals from faculty members may be sent to the Graduate Programs Coordinator via email, so that proxy signatures can be made. Students will be sent emails with registration information once all approvals are in place and may register for ENGL 799 upon receiving that information.

The proposal should include the following:

- Signature Sheet
- Thesis Proposal (2-5 pages)
- A Writing Sample (work that is in line with the proposed thesis)

Tentative Title:

I have attached my proposal as described above and I will contact my thesis director and committee members to ask them to send their approvals to the graduate programs coordinator. I realize that my thesis director, committee members, MFA program director, and Department Chair must approve my proposal prior to starting my thesis. I realize that I will not be able to register until all approvals are in place. Finally, I realize that it is my responsibility to monitor my enrollment in ENGL 799 and remain continuously enrolled in thesis hours until my thesis is complete.
