#### ABOUT THE INSTITUTE FOR IMMIGRATION RESEARCH

iDod

Immigration

DATA ON DEMAND

IIR works to refocus the immigration conversation among academics, policy-makers and the public, including the business community and media, by producing and disseminating unbiased and objective, interdisciplinary academic research related to immigrants and immigration to the United States. The Institute for Immigration Research is a joint venture between George Mason University and the Immigrant Learning Center, Inc. (ILC) of Massachusetts.

#### IMMIGRATION DATA ON DEMAND (iDod)

The iDod service is offered free of charge to help individuals and institutions examine the immigrant populations of their particular geography. Recipients of this data will see how immigrants provide vital contributions to the economy and society of the U.S. Ultimately, the goal of the iDod project is to create collaborations and connect people with data from their particular region or sector of interest on immigrant populations.

To learn more about the Institute for Immigration Research call (703) 993-5833, email iir@gmu.edu, or visit us online iir.gmu.edu.
