### SERVING

#### 🔗 Kids Journey

We believe that one of the primary ways that we can turn the world upside down is by investing in our children. Kids Journey aims to teach our kids the gospel, love them with a gospel-centered love, and provide real care for each child who walks through the door.

#### 🔗 Hospitality

This team's goal on Sundays is to follow Christ's example of moving toward others, caring and serving those who gather with us for worship. The hospitality team prepares the communion elements, prepares coffee and refreshments in the gallery, and serves on our greeting and usher team.

#### 🔗 Worship Team

The Worship Ministry is focused on leading people in corporate worship through the arts. This team serves in creating a corporate gathering that includes liturgy, song, music, and other gospel-centered elements. If you're interested in serving as an instrumentalist, vocalist, liturgist, sound, lights, or video, contact Chad at [chad@journeytheway.com](mailto:chad@journeytheway.com).

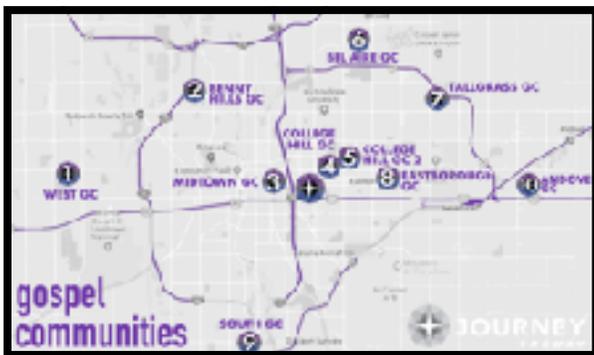

#### 🔗 Security

We want our gatherings to be a safe place for everyone who visits us. Our Security team exists to ensure the safety of everyone on our campus and create a safe space in which families can worship.

### COMMUNITY

#### 🔗 Discipleship Classes

Throughout each semester, we offer bible studies, book studies, and gender-specific classes to grow as men & women of the Word. Last year's classes included women's studies through 1 & 2 Peter, a book study on biblical eldership, and men's bible study supplemented by Tim Keller's *Counterfeit Gods*.
