

**Confirmation of Spiritual Direction**

This form, required for both postulancy and candidacy interviews, is to be completed by the Spiritual Director. It is to certify the duration and frequency of the person's consultations only: it is not a character reference.

The Ordinand is required to meet with his or her director at the least on a monthly basis for the duration of the journey into ministry. What passes between the director and the directed is absolutely confidential.

I, \_\_\_\_\_, Spiritual Director, meet with \_\_\_\_\_, person in direction, to provide spiritual direction in accordance with the guidelines put forth by the Anglican Diocese of Pittsburgh.
