

FBCFM Marriage Champions Ministry

Because First Baptist Church Fort Mill values Godly marriages

Unless the Lord builds the house, it's builders labor in vain
Psalm 127:1

God is the designer & author of marriage between one man and one woman. It is an ordained and honorable act. His intentions for marriage are clear and revealed through the scriptures of the Holy Bible.

Marriage should:

Be for God's purpose, the couple's pleasure, and an instrument of ministry

Be free of condemnation & contempt

Allow for the differences and complements between husband & wife

Be the single source for a couple's emotional and physical intimacy, flowing from a spiritual intimacy with Christ at the center

Have a means of conflict resolution

Grow in order to be healthy

Have a purpose & direction to avoid drift

Be built for endurance

Be a refuge for husband & wife

The FBCFM marriage ministry is a comprehensive approach to provide resources, coaching and restoration to strengthen marriages and the husband / wife relationship.

101: For pre-marrieds, newly marrieds, and those that want a refresher in the basics
