"Audacious"

"Glancing over the years of ministry behind her and strengthening her resolve to the call before her, Beth came to the realization that her vision for women was incomplete. It lacked something they were aching for. Something Jesus was longing for. Beth identifies that missing link by digging through Scripture, unearthing life experiences, and spotlighting a turning point with the capacity to infuse any life with holy passion and purpose."

*What was missing? Well, let's just say, it's **audacious** and it's for all of us. And it's the path to the life you were born to live."*
