Thank you for diligently saving BoxTops and Labels. These programs provide additional funds and supplies that support our children and teachers. Thanks to all our volunteers who make processing the BoxTops and Labels possible. Here are some tips for parents that can make the job even easier:

- Cut the BoxTops or Labels as close to the pre-printed perforation as possible. For eligible products without the pre-printed perforation, cut and submit the UPC and the “Label for Education” icon.
- Do not submit BoxTops that are expired.
- Do not submit BoxTops that have the expiration date torn off, mutilated, or unreadable.
- If you want to count your BoxTops before submitting, bundle them in groups of 50 in baggies, and clearly note the total in the bag (use a sticky note or piece of paper inside the bag or write “50” on the baggie with a Sharpie). For amounts under 50, just note the total. If you don’t want to count the BoxTops, that is fine, our volunteers will help out!
- If you want to count your Labels before submitting, Labels should be sorted between 1 Point labels and 5 Point labels and Bonus Labels. Labels can be bundled in any amount, just note the total number of labels in the bag.
- Please do not submit items from any other programs (Betty Crocker labels, printer cartridges, etc). We do not participate in those programs.
