Sunrise at Tesoro Escondido Ranch

What if God's purpose for your marriage goes beyond your happiness and personal fulfillment?

What if your marriage problems aren't "his fault" or "her fault," but rather the essential tools of God working Christ's character into your life?

What if your marriage and your life are about something far bigger than yourself?

What if you could lose yourself in the joy of being absolutely consumed with each other?

This is not your typical marriage retreat.

So much of the marriage enrichment material available today is about technique—"ten steps to communicating better" or "the differences between men and women."

And while we agree that good technique is better than bad technique, Beyond Happiness . . . focuses on what a gospel-centered marriage looks like and how we cooperate with the Spirit of God to live that out. The result is the opportunity for true transformation that will fulfill your destiny as an individual and that of your marriage.

Beyond Happiness . . . is about what God says about our marriages and how the truth of the gospel impacts them. You don't want to miss this special time together at Tesoro Escondido Ranch!
