news! The King of God's king - dom is here!

Everywhere that Jesus walked,
People were amazed at what he taught.
He healed the sick and he raised the dead,
Backing up the things he'd said.
In a boat with his friends one day
He calmed the wind and stilled the waves.
The fishermen began to see
God had come to Galilee!

Jesus knew that the time would come
He'd have to go to Jerusalem.
There he'd die and suffer pain,
But three days later rise again.
All of these things happened because
Jesus is the Son of God.
And you don't have to be confused,
Just believe the good news!
