**THANK YOU NOTES RECEIVED:**

*“St Philip’s has been an amazing source of strength and comfort to me and the family and there is no way to express our gratitude fully. I personally have felt as if God has me in his arms. I can’t explain it but it is true! God bless each and every one of you. Your letter was timely and meant a lot! You are a valuable friend.”*

*“What a gorgeous arrangement! Needed today to help lift my spirits as I continue to fight this unrelenting pain. Grateful for my community and for you! I know with continued prayers, He will hear us! My favorite flower, the peony, in this arrangement will remind me that there are other out there (that care). The comfort and support this committee provides me is immeasurable. Please pass on my gratitude for this kind gesture of love.”*

*“You cannot know how grateful I am for this help!! I so much appreciate you as the Body of Christ coming around us to provide meals!”*

*“Thank you so much for sending the lovely flowers. We have always loved St Philip’s Church and love in Christ.”*

*“Thank you for the flowers. This has been a very bad time for me. Any prayers you have for me will be appreciated. I seem to be physically and mentally falling apart”*

*“I want to thank the Compassion Committee for the lovely bouquet of flowers that you sent to my mother. I have appreciated your kind and loving words on the card. You are why I love St. Philip’s so much. Thanks again.”*

*“I was deeply toughed to receive the beautiful poinsettia in memory of my sister. Honestly, St Philips has never failed to reach out to me with love and support no matter what the occasion”*

*“I was so deeply tough by your thoughtful, kind and generous gift of the beautiful poinsettia! It made my day and I shall treasure the card that you sent with it as*

*well. How precious your thoughtfulness is to me— thank you!!"*
