

Invest Calendar 2015

TCC Mission:

We exist to make disciples who Treasure Christ, Love the Church, Love the City, and Love the World

Invest Goal:

Our goal for Invest is to encourage, equip, and refuel our leaders through growing together with them in developing our doctrine, character and skills.

Church-wide theme this year: Pursuing Our Joy in God

Invest Nights:

This year in Invest Night we are really wanting to hone in on enjoying God together and equipping you to help others do the same. So there will be three components: 1) Doctrinal Growth, 2) Leadership Skills Development and 3) Counseling Skills Development. As always we will provide childcare and because there are only 3 of these this year we encourage you to make all three.

Regarding the doctrine component, we desire to help you better understand doctrines that will deepen your Joy in God (our theme for 2015). Therefore, each of the three Invest Nights will cover one of three *Attributes of God*: the Love of God (January 28), Our All-Knowing God (May 27), and the Sovereignty of God (August 26).

Invest: Sphere Care:

We hope to gather as spheres 3 times in a calendar year. This time is for 3 things (1. Food/fellowship; 2. Peer Coaching on caring for your group; and 3. Encouraging one another regarding Marriage and/or Parenting.)

The Spheres are as follows:

Pastor Sean- Taranhike, Cheeseman, Glaspy, Priestley/Zimmerman, McInnis, Phillips, Pastor Travis- Muse, Williams, Barnard, Sylvester, Doherty, Gallaher

Invest: Retreat

This year we will be having a retreat for all community group leaders probably on April 24-25 at Camp Carraway. This is meant to encourage all group leaders and refuel them through word, prayer, relationship building with one another and training. It is positioned in April to spur us on to finish the community group year out well (July to July) and to

help leaders make the best decision regarding leading a group again when we renew in July. In July we will have a community group leadership covenant renewal. This is where each group's leaders will be able to share with their Sphere Pastor how they are doing personally and whether they are willing and able to continue as group leaders. If you are considering stepping down from leadership please inform your sphere pastor ASAP (preferably in February) so we all can be working toward raising up new leadership.

Invest: Schedule

Focus for January-June is Pursuing Joy in God through Evangelism
