Core Values:

Loving the World

7. Intentional Living- Believing the church is not a building or simply what you do Sunday, we want to be a community of believers that is intentional with all of life from where we live, to how we spend our money knowing that God has placed us where we are for the spreading of his fame. (Matthew 28:19; 1Corinthians 10:31-33).

10. Multiplication- People who have been changed by grace want to see more lives transformed. We not only want to grow as followers of Christ but we want to multiply God's church by making more followers of Jesus through life on life, community groups, church planting, and church reformation among all peoples. (Matthew 28:19-20; Psalm 67:4-5)
