CORE VALUES EMPHASIZED

(While this book touches on many TCC core values, the following are explicitly addressed)

Bible-saturation- We want to be saturated with the word of God in order that we may be nurtured ourselves, growing deep in him, and in order that we may have a foundation upon which to teach, reprove, correct, and train the church in righteousness ([2 Timothy 3:16-17](#)).

Prayerfulness- In desperate anticipation, we long to be driven by prayer because it is the power for all of life and a reflection of our absolute dependence upon Christ for all things ([Philippians 4:6-8](#); [Ephesians 6:16-17](#)).

Humility- God opposes the proud and gives grace to the humble, so we desire to be a church that cultivates humility through intimate relationships, care, confession of sin, forgiveness, inviting correction, admonishment, meaningful church membership, church discipline, and gospel encouragement ([1 Thess. 5:12-13](#); [1 Peter 5:5b-7](#)).
