

## Our Campaign Team

Our Burn the Mortgage Campaign is being directed by a Wesley Chapel team of servant workers. These people, all members of our church, are giving sacrificially of their time so our church can achieve a great victory for the future. Please pray for them each day.

## *Our Goals - Dream*

The goal of the "Burn the Mortgage Campaign" is to retire the debt of Wesley Chapel by the end of 2017 in order to expand the ministry throughout the community in making Disciples for Christ.

Specifically, the campaign will enable the church to do the following:

- Eliminate the debt on our current building
- Expansion & Development of Campus
- Multi-purpose Community Complex
- Pre-School Academy
- Youth Center and Gymnasium
- New Pavilion and Ball Fields

## *Our Commitment - Dare*

Do you remember the thrill and blessings we have experienced in our ministry over the past several years? The Lord has greatly blessed us. Like Jacob, who stood a stone up on end like a pillar to mark God's promises and providence, we can see many "standing stones" at Wesley Chapel. We see a beautiful visual reminder of those blessings every time we enter our Church campus for worship, fellowship, and ministry.

The time has come for us, once again, to stand up together and build upon that investment. We are excited to see what God has in store for the future, and we look forward to seeing how this Burn the Mortgage Campaign will help us fulfill His plans and purposes.

## *Our Future - Live*

As we take this next step in our journey of faith, we want to pause to say THANK YOU to all who have given sacrificially in the past because they believed in this ministry. In this three-year campaign, some will continue faithfully to give according to their circumstances. Others will increase their giving at a new level of commitment. Still others may step up and begin to give in this campaign for the very first time, investing in the future of Wesley Chapel Church.

Whatever the response, we will always be grateful to those of you who have led the way, who had the vision, the courage, and the generosity of sacrificial giving to help along on this journey from where we began to where we are today and where God is taking all of us.
