

Community Group Study Materials

We seek to create a framework to give the CGs more freedom in being flexible to the specific needs of their groups. Within that flexibility, we must stay unified in the focus and expression of how the study material helps move our groups forward.

Here are the 5 focal points that we desire EVERY group to excel in while allowing a diversity of study.

1. The Gospel as the Center
2. Love God
3. Love Others
4. Powered by the Holy Spirit
5. All seen in action as you are living on mission
