## Mosques: A Source of Peace

The Head of the Ahmadiyya Muslim Community,  
Hadhrat Mirza Masroor Ahmad (May Allah be his helper) has stated:

“Our mosques are built with the purpose of bringing people together and serving our neighbours and the local society. Our mosques are beacons of light radiating peace, love and humanity. Wherever we have built mosques or we have established Ahmadi communities we seek to alleviate the suffering of the local people because Allah the Almighty has linked the fulfillment of His rights with the fulfillment of the rights of humanity. Our faith teaches us that our worship and our prayers are worthless if we fail to love, support and cherish those around us.”

(5th November 2016, inauguration of the Baitul Amman Mosque,  
Lloydminster, Saskatchewan, Canada).

### Who we are

The Ahmadiyya Muslim Community, founded in 1889, is established over 200 countries with membership exceeding tens of millions. It is the fastest growing sect within Islam. It is the only Islamic organisation to believe that the long awaited Messiah has come in the person of Hadhrat Mirza Ghulam Ahmad<sup>(as)</sup> (1835-1908) of Qadian, India, whose advent was foretold by the Holy Prophet of Islam Muhammad<sup>(pbuh)</sup> (570-632).

Our Motto is:

**Love For All Hatred For None**
