

**January 2019**

Dear Friend:

The Clinton School, located in the Union Square area of Manhattan, is a 6-12 public school with a mission to engage all students in an academically rigorous learning environment that prepares all students for the IB Diploma Programme and college.

To support our vital and expanding enrichment programming, we depend on parents, friends, and business partners like yourself to help us fund and maintain these initiatives all year long. Funding supports programs such as Theatre for a New Audience, our Student Life Initiative, a partnership with the Whitney Museum, and many others as well. Additionally, essentials such as field trips, supplemental classroom and art supplies, and the High School International Baccalaureate Programmes curriculum needs are also supported by the extra funding. Similarly, extracurricular activities (teams, clubs, Model UN, tutoring, chaperoning) as well as sports equipment and uniforms also require additional funding and support to exist. Unfortunately, The NYC Department of Education pays for only the bare minimum, leaving our school with a huge shortfall. This is why we're asking for your help.

**The 2019 Clinton Spring Auction Benefit will be held on Thursday, May 16 at Slate on 54 West 21st Street. Please consider making a generous donation of goods or services to ensure that our fundraiser is a huge success.** Donated items are the key to our success.
