

FIVE YEAR PRE-PAYMENT SERIES 2013

Since 1980, CMH has offered Pre-Payment Series to our guests. These Series provide the holder with the opportunity to secure annual priority booking privileges while at the same time discounting the price of their trip for the next five years. **The purchase of a 2013 Pre-Payment will provide you with prime space over the next five years.**

We are now offering the chance to purchase the 2013 series; a five year, \$10,000 CAD Pre-Payment which will provide a credit of \$2,150 per year (\$2,000 from you plus a \$150 discount credit) beginning with the 2013 hiking season or the 2013-2014 ski season and ending with the 2017-2018 season. If you are unable to use a credit in any one season, the credit may be carried forward or transferred to another person. The annual discount credit of \$150 has no cash value and may only be applied to CMH holidays.

In addition to the annual credits, you will receive early reservation privileges for yourself and up to three others, if bookings are made not later than a specified date in October of the year preceding the requested reservation. These privileges will be equal in priority to all other existing Pre-Payment holders, but are made ahead of our preferred customers, and the general public. These privileges are available annually for the five years only, beginning with the 2013-2014 ski season, and end with the 2017-2018 season.

This opportunity is valid only until May 15, 2013.

If you have any questions, or would like further information, please contact André Cartier @ 403-762-7118. To purchase a Pre-Payment Series, please complete the information below and forward to CMH.
