

## **Meet your Bodacious BOLD! trip hosts, Margo Sutter and Cindy Pocza.**

Hailing from LA (Lethbridge, Alberta) Margo and Cindy have been friends for many years. Their passion for life is what connects them at the core. It's also what will ensure your Bodacious trip this summer is packed with fun and opportunities to step outside the box and be BOLD!

Both happily married, their active husbands and teenagers keep them on their toes. While Cindy works with great people as an Auditor at Canada Revenue Agency, Margo enjoys the challenge of building 2 home-based businesses.

Being active is a way of life for your Bodacious trip hosts. Cindy grew up skiing the steep slopes of Castle Mountain in Southern Alberta. Following in the footsteps of her parents who have a zest for competition, Margo played basketball in University and has run two Boston Marathons. Both Margo and Cindy have worked and volunteered in the Fitness Industry as certified instructors for more than 20 years.

Even at their busy stage of life, Margo and Cindy recognize the importance of sharing "soul-full" times with girlfriends. In 2007, they took on the challenge of completing Ironman Canada. They embraced this journey together - as only special friends can - encouraging one another every step of the way.

Margo and Cindy share a love of the grape...the wine grape, that is! They look forward to sharing their ever-expanding knowledge of wine tasting with you.

Cindy and Margo invite you to join them this summer on Bodacious BOLD! to connect with other Bodacious women and make special memories together!
