

## Conditions To Qualify For The New Guest Credit

We appreciate that so many of you think highly of us to suggest to friends and family that they join us on one of our trips. Having been on one of our trips, you are able to describe the CMH experience better than any of our promotional materials. To show our appreciation, we would like to reward your efforts with a credit described below.

1. You must have been on one of our Heli-Skiing or Heli-Hiking trips before.
2. The person(s) you sign up must be a first time CMH Hiker or Skier.
3. Please return this form **completed** and/or attached to a list of guests you are sponsoring.
4. We will take care of your sponsored guest's reservation by contacting them directly regarding deposits, final payment, etc.

6. In the current year your 7% credit is only redeemable at one of our CMH areas to pay your final bill.
7. This credit can be transferred to other trips in future years to be used as a lodge credit for your incidentals.
8. You do not have to join the new guest on their trip.
9. If the new guest cancels after his final payment is received and a refund is given, there is no credit.
