

GROUP ORGANIZERS POLICY 2011/2012

We offer a **6% commission** of the published trip price-before taxes-for group bookings on certain weeks and under the following conditions: A group consists of **10 or more** people.

The procedure for making a group booking is as follows:

1. As a Group Organizer, simply make the initial request for your group spaces with the area manager or with CMH Reservations.
2. **At the time of booking** we require a list of names and addresses of your group members to send out all relevant documents, as well as individual credit card numbers or one credit card number for deposit on all spaces.
3. If your group drops to 9 people or less, the group commission will not apply unless full fees have been taken.
4. CMH Reservations will handle all paper work and final payments.
5. Commission will be paid to the group organizer during the actual ski week and not before. It is at your discretion what to do with the commission. Full payment of your own space is due, as normal, 10 weeks prior to the trip start date.
6. CMH cannot guarantee that your group will ski together. We reserve the right to form the groups so they primarily consist of skiers of equal ability.
7. Group Commission is eligible on the following specialty trips: Pay As You Play, Ski Touring and Ski Fusion. Some other offers, credits or promotions may not be applicable on these departures. Ask Reservations for details (1-800-661-0252)
8. Group Commission does not apply to any Small Group Programs and Private Weeks
