

Arabian Horse Association of Arizona Education Trust Scholarship Award Information & Rules

Scholarship winners are entitled to payment of funds for higher educational purposes. Higher educational purposes are defined as an institution/school of higher learning, which may only be attended upon receipt of a high school diploma or its equivalent. This definition shall include colleges, universities, junior or community colleges offering an Associate Degree, and/or trade schools who issue certificates for a specific trade.

The scholarship monies will be paid directly to the institution/school on behalf of the scholarship winner. The scholarship funds are to be used for tuition, books or expenses directly related to education only. The use of scholarship funds for meals and lodging is specifically excluded. The amount to be paid to an institution on behalf of the scholarship winner is the face value of the award when won; no award shall be increased/decreased by interest earnings/losses which back the award. The scholarship money will be held for 10 years from the year it was won, after that time it will expire and will no longer be available for redemption.
