## HALTER/BREEDING & IN-HAND

The Arabian Horse Association of Arizona has implemented new rules for the paddock and entry area for all Halter classes. These rules will be strictly followed. **EFFECTIVE IMMEDIATELY**, one person per class will be designated to assist with the entry of the Halter classes. Only that person will be allowed to use any sort of device to enhance the performance of the Halter horses. The designated person will be provided a whip with appendages that can be used to enhance the Halter horses in the paddock area. No other devices will be allowed. No one, including the designated person, will be allowed to hit or use any other objects, such as trash cans, walls, plastic signs, etc. to make additional noise. Additionally, no one will be permitted to use plastic or paper bags of any type or size in assisting with entrance into the Halter arena. Should this rule/policy be violated, the person violating the rule and the handler and/or trainer associated with the person violating the rule can be subject to sanctions. The gate will close when final horse has entered. All horses will be called to walk, horses will be judged at the walk. Upon completion of walk Judges will then begin individual judging of horses. Only the next horse on deck is allowed to school. After all horses have been presented in center ring there will be a 5 minute final review of the horses on the rail (it is not mandatory that the judges do a final review). See general conduct according to USEF rules. Because the Arabian Scoring System is not utilized, the Scottsdale Classes will not be recorded by AHA. As such, placing in halter classes not using the Arabian Scoring System will not earn points for any AHA programs (i.e.: Qualification Points, Sweepstakes Points, Achievements Award Points, etc). All halter classes will be held using the Scottsdale Comparative Scoring system using Three Judges, Five-Judges or the Arabian Breeders World Cup Scoring System (*see individual sections for scoring system used*). **ADMISSION TO RING** - There will be an assigned order of go in all Halter classes. The Order of go shall be determined and posted by the birth date of each horse, from youngest to oldest. The prescribed order of go must be strictly followed. Horses that have missed entering the arena in the assigned order will be led in by the steward to their assigned order of go position on the rail. It is the exhibitor's/handler's responsibility to enter the arena in the posted order of go.

## SCOTTSDALE ARABIAN DIVISION

These classes will utilize the Scottsdale Comparative Scoring with the three (3) or five (5) judges. Horses will enter the arena in-hand at a trot, guiding in a counterclockwise direction. Each horse shall trot in one at a time and shall proceed at the trot until reaching its designated position in line as directed by the ringmaster.
