SECTION II

CLASSIFICATION

2.1 RATING SYSTEM CLASSIFICATIONS

RSNC will track sorting dollars won and sorting dollars spent on entry fees by each contestant at all RSNC sanctioned Events.

With this data, the dollars won will be divided by the dollars spent on entry fees by each contestant. That will provide every contestant with a win/loss ratio.

Example:

- a) If you win twice as much as you spend then your win/loss ratio would be 2.0
- b) If you win 1/2 of what you spend then your win/loss ratio would be a .5

Each contestant's ratio will then be placed on a bell curve **ONLY** with other contestants of the same rating. Based on where a contestant's win/loss ratio falls on the Bell curve will decide if he or she moves up one rating or down one rating. Only in extreme circumstances will a contestant's rating move more than one rating.

Example:

- a) The top determined percent of all #3 through #8 contestants move up 1 number.
(3 to 4; 4 to 5; 5 to 6; 6 to 7; 7 to 8...)
- b) The bottom 10%, for example, of all contestants #4 through #9 will be given the opportunity to move down one rating.

With the exception of the #1 Beginner, #2 Rookie and the #3 Novice, this will be done for every classification category at the end of each sorting season and at least one additional time each year. This guarantees fair and equal treatment of every contestant. A Beginner automatically

moves up when he or she wins 3 checks or \$500, whichever comes first, in RSNC events. A Rookie automatically moves up when he or she wins \$1,000. The only exception is if their win/loss ratio in #6 and below divisions is excessively low. Then that contestant will remain a #2 until they earn \$1,500 at which point they will automatically move. Both Beginners and Rookies can be moved up regardless of their winnings if it is determined that their sorting abilities are superior to the level of competition in which they currently compete.

For those contestants that have not competed enough to have adequate data to evaluate, we will lean heavily on our producers and rating committee to assure that the ratings remain fair.

All #3 Novices will be reviewed every 6 months (after the National Finals and State Finals) and will be moved accordingly based on win/loss ratios in #11 and below divisions. This will bring more consistency to the ability of the #3 rating and be fair for all contestants.

2.2 RATING RULES

***Important Note - RSNC will rely heavily on Producers to keep the ratings fair and accurate.

- 2.2.1 The **#1 Beginner** rating is only for those participants who are novice riders on novice horses and who have never won 3 checks **or** over \$500 in any sorting or other cow horse competition. Once you win 3 average checks **or** \$500 (excluding youth checks) you will automatically be moved to a number 2. This is only an introductory level and is probationary meaning if you or your horses skills dictate it you may be moved at any time
- 2.2.2 The **#2/Rookie** rating is only for those participants that have **never been rated higher than a #1** in any sorting or other cow horse organization and is a novice rider on a novice horse who has never won over a \$1000 in any sorting or other cow horse competition. Once a #2/Rookie's earnings in RSNC sanctioned events reaches \$1000 (youth classes excluded) and that amount has been confirmed and recorded at the RSNC Headquarters, he/she will no longer be eligible to ride as a #2 Rookie unless their win/loss ratio is below a 0.75 in the #6 and below divisions. Then they will remain a #2 until they earn \$1,500 at which point their win/loss ratio will be evaluated again. If a #2 rated rider has not reached the 0.75 win/loss ratio they will be evaluated every 6 months. This is a probationary rating meaning if you or your horse's skills dictate it you may be moved at any time.
- 2.2.3 A **Novice** is defined as a #3 or #4 rated contestant that is inconsistent in their ability to sort cattle whether it is because of their cattle reading ability, their ability to get successful partners and/or the ability of their horse. Any new member that has won over \$1000 in Ranch Sorting or other cowhorse competition will not be rated below a #3 Novice. Additionally the #3 rating will be reviewed by win/ loss ratios in #11 and below divisions every 6 months (after the National Finals and State Finals).
- 2.2.4 An **Amateur** is defined as a #5 or #6 rated contestant that is just below or just above average in their ability to sort cattle. This is a contestant that can read

cattle, is aggressive and confident and is riding an athletic cow horse. From time to time this contestant or their horse will make minor errors that prevent them from consistently sorting. Those that are considered just below average should be a #5 and just above average should be a #6.

2.2.5 **An Open Rider** is defined as a #7, #8 or #9 rated contestant that excels within the sport of Ranch Sorting. These are experienced sorters that have continued to improve and advance within the rating system or professional horseman that have recently entered the sport and their horses and sorting abilities dictate that they are superior to the Novice and Amateur contestants. These could be cutting horse and cow horse trainers that in a very short period of time have learned how to be competitive in sorting and have advanced to the open level. There are three levels within the open division.

The #7 is considered too good to ride as an Amateur, but either doesn't have an exceptional horse or who may have a slower reaction time than the best riders in the industry. This contestant's win/loss ratio prevents him/her from advancing.

The #8 is a professional ranch sorter. This contestant can travel anywhere in the country and be competitive in Open Ranch Sorting Divisions but does not consistently win like the #9 contestant.

The #9 is reserved for the elite within the industry. They reflect the standard of excellence, which all others strive to achieve.

Data Driven Rating Evaluation is the contestant's data and will be collected and carried over from one year to the next, until as determined by RSNC he or she has competed enough to accurately depict a contestant's performance.

2.2.6 RSNC will use 9 rating classifications. All contestants regardless of age, will be assigned a rating classification. Each new member of RSNC must be given a rating classification before competing in a RSNC sanctioned event. The member is required to accurately and honestly answer all questions regarding his or her rating criteria.

2.2.7 **New Membership Probationary Rating** is where all new members will compete on a probationary rating for their first year of competition. If for any reason, it is found by RSNC that the person is inappropriately rated then RSNC will correct the rating. If that person is found to have falsified information about his or her rating then RSNC may revoke the membership of that person.

2.3 **FORFEITURE OF MONEY WON-** Teams whose combined ratings are higher than the division number or division cap will forfeit their winnings. It is the responsibility of the Producer as well as the Member to make sure that they are riding at their current rating. Beginners and Rookies move up throughout the year.

2.4 CLASSIFICATION LETTER & MEMBERSHIPS – For the 2013-2014 season, classification letters and membership status letters will be issued through the 2013-2014 RSNC National Finals. All new members are assigned a probationary rating for their 1st year of competition. If at any time within the first year it is determined by RSNC that the contestant is mis-rated, the rating will be adjusted.

2.4.1 **Statistical Data-** At the end of each year all contestants' statistical data will be evaluated and ratings will be adjusted. This classification system is used to limit the margin of error in setting sorting categories. It is based on statistical data rather than opinion and it treats each member identically and fairly. Each contestant is classified or rated with a number 1 through 9 with 9 being the most advanced.

2.4.2 **Performance Rating-** Your classification number is your performance rating. The sum of your classification number and your partners' classification numbers cannot exceed the number of the sorting division. This procedure closely defines the caliber of each sorting division.

2.5 NATIONAL FINALS RATING COMMITTEE- A rating committee will be in place to review all questionable ratings at the 2013-2014 National Finals. It will be the committee's sole responsibility to observe and review all questionable ratings of contestants. The committee will consist of four individuals at any one time, three will vote on a rating adjustment with a unanimous vote required for a change. That change will be in effect the next division in which that contestant competes. If there is a conflict of interest by a person on the committee, that person will not vote and the fourth committee person will replace them. The committee has full authority and will be 100% supported by the association. We want members to know that fairness is our utmost priority and RSNC will not allow underrated contestants to continually compete at the wrong rating.

2.6 RATING REVIEW PROGRAM- RSNC has instated a rating review program for any contestant that does not believe their current rating is accurate. The review requires a \$200 up front deposit. If after a minimum of 45 entries under the new rating, the win/loss ratio shows that the contestant falls within the bottom 15% of ratios for that rating, then the contestant's rating will be lowered and the \$200 will be refunded. If the rating is not in the bottom 15%, the \$200 will be forfeited and the rating will remain.

3.1.1 **Required divisions.** All Levels Handicap, Beginner Division or Rookie #11 HC, and one other division are mandatory to qualify as a sanctioned event.

3.1.2 **Pick & Draw** - The Pick & Draw division is designed to allow new contestants to the sport an opportunity to find rides and meet other contestants. All RSNC divisions have a 5 ride limit. It is required to be a pick 1, automatically draw 1. You can pick up to 4 or draw all 5. All classes are required to be up to a 5 ride limit with a maximum of 4 picks.

3.1.3 **Handicap System**

The RSNC handicap system for ranch sorting.

The handicap system for all Sanctioned RSNC events in ranch sorting will be as follows. Each rating below the highest possible team number in a division will

receive one additional second beyond 60 seconds to sort their cattle. Then those additional seconds will be subtracted from the team's final time on the cattle sorted. Handicap chart can be found in SECTION XI.

Example:

1. A #10 team in the All Levels Handicap division (#18 maximum rating) receives 8 additional seconds, ($18-10=8$) giving them 68 seconds to sort. If they sort 10 head in 63 seconds their final handicap time would be 10 head in 55 seconds ($63-8=55$)

2. A #9 team in the #13 handicap division receives 4 additional seconds ($13-9=4$) giving them 4 additional seconds to sort. If they sort 8 head in 56 seconds their final time would be 8 head in 52 seconds ($56-4=52$)

This system levels the playing field for all sorting contestants with a handicap based on their rating.

- 3.1.4 **Masters #10 Handicap** - All Contestants in the Masters Division must be 50 years of age or older at the end of the calendar year. This event is recommended to be run as a #10 Handicap Division.
- 3.1.5 **Round Robin** - This is a Single Go class. All teams are created dynamically, and each rider will ride at least once with every other rider. This is a single-entry, "draw only" class. No picks are allowed. All cow counts and times are accumulated for each rider, and the payout goes to the rider (not the team) with the most cows in the least time. Points are awarded to the top teams, following the same point guidelines for all other classes.
- 3.1.6 **Youth**- All Contestants in the Beginner Youth Division must be 12 or younger by January 1st of that year. Beginner Youth may have an Adult or experienced person in the gate but the sorter must be rated #1 Beginner. All Contestants in the Youth Rated Division must be 12 or younger by January 1st of that year. There is no rating cap on the Youth Rated Division but it is recommended to be a HC class.
- 3.1.6.1 For all Youth rated a #4 or below- The youth points race includes all youth classes and all RSNC classes with a class cap of 11 or lower, excluding the #11 Handicap.
- 3.1.6.2 Youth will not be moved from a #2 to a #3 unless their win/loss ratio is in the top 75% of all youth when they reach the \$1,000 mark or until they reach \$1,500.

3.2 ENTRIES and Number of Go's

All classes are required to be a pick 1, automatically draw 1. You can pick up to 4 or draw all 5.

All classes are required to be up to a 5 ride limit with a maximum of 4 picks. The #11 Ranch Hand and #14 Ranch Hand can be a up to 9 ride limit with a maximum of 8 picks

At all RSNC Sanctioned events the % payback will be the producers' option. All divisions will have an additional \$3 per ride per person Sanctioning Fee.

This is for all RSNC Sanctioned divisions with the entry fee at \$35 or higher. If entry fees are less than \$35 the Producer has the option of 1 Go and Top Ten regardless of the # of teams. Please announce the # of go's when the draw is done and before the start of the division. Added teams or scratches after the class starts will not change the # of teams returning.

3.2.2 **Running Order** - All RSNC Sanctioned divisions are progressive (you must sort in each go round to advance) 0 head sorted is considered a no time. All finals at any RSNC sanctioned sorting will have their running order, determined by draw, mechanically or physically at promoter's discretion.

3.2.3 **Payment of Fees** – It is the producer's option to require cash, check or credit card. If CASH ONLY at an On-Site sorting is required, it must be advertised as such in The Ranch Sorter Publication and must be on the producer's Show Flyer. Checks will not be accepted from sorters that have previously written bad checks. Entry fees should be payable to the RSNC Producer.

3.2.4 **Entering with Same Partner** – Two member teams are permitted to ride together only once in each division, unless it is the result of a Draw or in the Ranch Hand classes, where they can ride together two times if they change designated sorters or under special sanctioning. Three member teams must change one rider.

3.3 DRAW-OUT AND REPLACEMENT and EMERGENCY DRAW-OUT -

Any team may draw-out of any event with notice prior to the start of that division with no draw out charge. If no notice is provided then entry fees are forfeited to the competition's pot. If an individual draws out, the contestants entered with him/her may draw out or replace the partner with a new partner of the same rating or less. If a team participant's partner fails to notify RSNC or the sorting producer of a draw-out, and does not appear prior to first go-round of a competition, the participants entered with him may get a substitute partner of the same rating or less. In no instance may a participant use another participant's entry fee. If a substitute contestant is replacing a contestant who has a doctor or vet's release, or has been officially drawn out, that replacement will be required to pay entry fees, but no late fees. In no instance will the team be moved to a later draw position while the participant locates another partner. In the event of an emergency involving a competing contestant, his/her family or his/her horse; the producer may draw that team out and refund their money.

- 5.1.9 **RSNC** will strictly enforce a black ball list of participants who write bad checks or who fail to pay entry Fees or other required fees of any RSNC Sanctioned show or contest.

SECTION VI

REASONS FOR DISQUALIFICATION

- 6.1 **UNSPORTSMANLIKE CONDUCT** –RSNC reserves the right to disqualify any contestant who does not act in a sportsmanlike, reasonable or professional manner. This shall include abusive schooling of horses. Disqualified contestants forfeit all fees.
- 6.2 **IN THE ARENA HORSEMANSHIP** - Abusive schooling or treatment of horses will ***not*** be tolerated. Any contestant who is in violation of this rule will be disqualified.
- 6.3 **TRASH CATTLE RULE** - The definition of trash cattle is any wrong numbered or blank cattle that starts across or crosses the start/foul line or that starts back across or crosses

back across the start foul line, or any correctly sorted number that starts across the start/foul line and backs out before going all the way through is a no time.

- 6.4 GATE CALL – There is a (one time) 30-second gate call for every team after the announcer calls for that team. If that team has not entered the arena within the allotted time they will be disqualified. Additionally, if a contestant is late a second time or more, he or she may be disqualified.
- 6.5 ROUGHING - A team will be disqualified for roughing - consisting of any physical contact by horse or rider at the judges' discretion.
- 6.6 WORKING CATTLE WHILE DISMOUNTED - Any team working cattle must be mounted on horseback. Working cattle on foot is reason for disqualification.
- 6.7 HAZING - Contact with cattle by hands, ropes, bats or any other equipment or apparel will result in a no time.
- 6.8 NO TIME – Any part of a cow in sequence that starts across the start/foul line and backs out is a No Time.

SECTION VII

REASONS FOR RE-RIDES

- 7.1 NUMBER ALREADY CALLED - If a duplicate number is called within the same set of cattle a re-ride will be given immediately upon point of discovery using the same set of cattle with the correct numbers. Those re-rides will begin at zero. Re-rides may also be given for official or mechanical errors or downed cattle. In these cases, contestants will be given the option to take their time on the number of cattle sorted when the run is stopped by the official or re-ride **immediately** with the same number beginning at a time of zero.
- 7.2 COW LEAVES THE ARENA - At judge's discretion a re-ride or a no time can be given if a cow leaves the arena. All re-rides will occur **immediately** using the same numbered cattle starting at 0 cattle with a new clock. Time can also be given on remaining cattle at the time a wrong numbered cow leaves the arena.
- 7.3 INJURED CATTLE - Prior to a team crossing the start / foul line the team must notify the judge of any UN-numbered, injured, or unfit cattle. Once brought to the judges attention the Judge (not the contestants) will determine whether to correct the problem or proceed forward. No re-rides will be given once a team has committed the cattle by crossing the start / foul line. If at the judge's discretion, a re-ride is given because of UN-numbered, injured, or unfit cattle the re-ride will occur **immediately** using the same numbered cattle once injured, unfit or unnumbered cattle are replaced.

Possible reasons for a judge to remove cattle:

- lame
- sick

- exhausted
- blind
- bleeding

*Rookie Sorter is defined as any #2 RSNC rated contestant. Only #2 Rookies or #1 Beginners may sort in this class. If both partners are rated #2 or below then they both may sort. However if one partner is rated higher than a #2 than that partner must work the gate only and allow only the #2 or below partner to sort as in a Ranch Hand Class

8.3 **Ranch Hand Sorting Guidelines**

This class is designed to showcase two separate horse and rider abilities. The Gate Horse holds herd and turns back wrong numbered cattle while the Sort Horse is continuously in the herd to separate and cut out the correct numbered cattle in sequential order. Contestants can ride together two times if they change the designated sorter.

Sort Horse & Rider The sort horse and rider will be responsible for sorting all cattle in the correct order by working through the herd to both turn back and cut the cattle from the herd.

- This horse and rider is allowed to make both offensive and defensive moves while cutting the cattle.

Gate Horse & Rider

- Must compete in a defensive manner
- Must not make any aggressive moves on the object numbered calf
- May make aggressive moves on any and all numbered cattle other than the object numbered calf
- Can not turn toward the object numbered cow and intentionally drive it out when otherwise it wouldn't have gone out at that speed..

8.4 **QUALIFICATION GUIDELINE FOR NATIONAL FINALS**

RSNC NATIONAL FINALS
All contestants must attend 5 shows to be eligible to attend the National Finals.
All First year members are exempt from the 5 show requirement.
Attend 5 shows and qualify for the Top 10 prizes in your category.

8.5 **RANCH SORTING RULES**

- 8.5.1 Ranch sorting is 1, 2 or 3 man teams sorting 10 cattle numbered 0-9 and 1 unnumbered cow for a total of 11 head. A producer has the option to add 1 more unnumbered cow. A run starts with team members on opposite side of start line from cattle.
- 8.5.2 The judge will raise the flag when the pen is ready. The judge will signal the beginning of the run by dropping the flag when the nose of the first horse crosses the start/foul line and the first number to be sorted will be announced. - The announcer will draw a number, which will determine the first cow to be sorted. The cattle will then be sorted increasing in sequence from that number.
- 8.5.3 The cattle must be sorted in number sequence. If any part of a cow crosses the start/foul line out of sequence before the correct cow starts across the start/foul line a disqualification will occur. A disqualification will also occur if any part of a sorted cow re-crosses the start/foul line. Any cow not entirely across the start/foul line will not be counted. The 10th cow must be completely across the line before the blank cow starts across or the team will receive a no time.
- 8.5.4 RSNC Youth classes are to be run consistent with all RSNC rules.
- 8.6 PLACINGS - Teams sorting in three go's will place higher than teams sorting in two go's. Teams sorting in two go's will place higher than teams sorting in one go, regardless of how many cattle were sorted. All ties (if lap timers are not used) will be brought back to the finals unless greater than 5 additional positions are created. All ties that are run off will be drawn for position of go. All ties can be eliminated by the use of lap timers, which is recommended.
- 8.7 LAP TIMERS -It is recommended that Hand Held Lap Timers are used at all RSNC sortings.
- 8.8 TIME LIMIT - A 60, 75 or 90 second allotted time limit for each division will be required at producer's discretion (RSNC Recommends a 60 second clock).
- 8.9.1 SETTLING CATTLE - Each new herd must be familiarized with both sides of sorting pens before the first team runs on a herd. Cattle will be settled prior to run at judge's discretion. It is the judge's responsibility to see that cattle herds are settled as long as needed.

Each arena and set of cattle are different and for that reason, a producer should make a decision and advise the judge on which way the cattle should be settled to be the most fair to the contestant and the well-being of the cattle. For settling cattle, the producer has the following three options:

1. Cattle may be settled on one side every time and sorted one way.
2. Cattle may be settled on one side for the first run of each herd and then alternated to the opposite side each consecutive run.

3. Cattle may be settled on one side for the first run of each herd and then resettled on the side with the most cattle remaining.

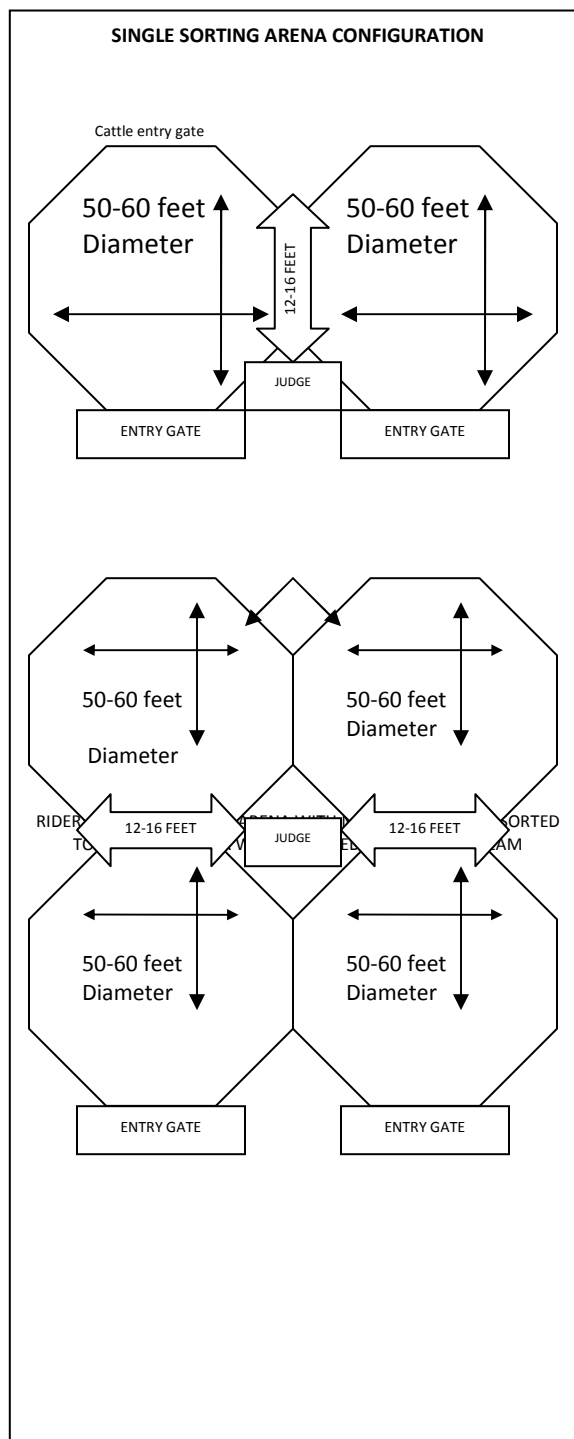

For determining number of runs on each herd, a producer shall advise the judge and should announce before the division starts one of the following options:

1. Run 10 runs per herd and then the remaining runs that are less than ten on the final herd.
2. Divide the herds equally by the number of teams.
3. Make a decision that no herd will have more than #_____ runs due to the condition and well-being of the cattle.

8.10 SPOTTING OF CATTLE - Spotting of cattle at all RSNC events is permissible and highly encouraged. It brings more excitement to the sport and equals the playing field for all participants.

8.11 RIDER FALLS OFF: If a rider falls off his horse he can get back on and continue sorting.

8.12 PEN DIAGRAM

The optimum sorting pen is 50'-60' diameter with corners cut at 45'.

The opening between the two pens will be 12'-16'.

Two equal sized pens will be used for back and forth or one-way sorting at producers discretion.

8.12 DUPLICATE TEAMS

Two member teams are permitted to ride together only once in each division unless it is the results of a Draw or in Ranch Hand classes, where they can ride together two times if they change the designated sorter. Three member teams are permitted to ride together only once in each division and then must change at least one rider.

8.13 OPEN ARENA SORTING RULES

8.12.1 At each producer's discretion, 3 man team sorting in open arena with one judge is acceptable.

8.12.2 Open arena sorting is a 3 man team sorting ten cattle numbered zero through nine and one unnumbered cow for a total of 11 head. A producer has the option to add 1 more unnumbered cow. The run starts with the 3 man team on the opposite side of the start/foul line from cattle.

8.12.3 Also See Rules 8.5.2 and 8.5.3

8.14 RIDE LIMIT

All classes are required to be a pick 1, automatically draw 1. You can pick up to 4 or draw all 5.

All classes are required to be up to a 5 ride limit with a maximum of 4 picks.

8.15 TIES

SECTION XI

FORMS FOR OFFICE USE

11.1 EXPLANATION OF HANDICAP:

Note: At the discretion of the producer, a class may be run on a 60, 75, or 90 second clock. According to a team's handicap, they will have time added to the initial 60, 75, or 90 seconds. RSNC recommends that a 60 second clock be used. The handicap in the Beginner divisions is based on the rating of the gate rider.

One (1) additional second is given for every number a team's combined rating falls below the class number. For example, a #3 rider and a #5 rider have paired to ride in the #13 which will be run on a 60 second clock. Their team rating is 8 ($3 + 5 = 8$); therefore, they will receive five (5) additional seconds ($13 - 8 = 5$). This team will sort on a 65 second clock ($60 + 5 = 65$).

After the run, those additional seconds ARE SUBTRACTED from the final time. So, if the team sorted 5 head in 63.5 seconds, they turn-in a 58.5 on 5 head ($63.5 - 5 = 58.5$).

In the All-Levels Handicap, the maximum team rating is 18 (a pair of #9 riders). Therefore, a team receives one (1) second for every number their rating is below 18. This means that if a #6 rider and a #2 rider pair in the All-Levels Handicap which is being run on a 60 second clock, that team will receive 10 additional seconds ($6 + 2 = 8$ & $18 - 8 = 10$); they will sort on a 70 second clock. If the team sorts 9 head in 68 seconds, they will turn-in a 58 on 9 head ($68 - 10 = 58$).

## 2012-2013

### Official Contest Rules

The purpose of the RSNC sort for the saddles contest is to serve as an incentive for participation in sanctioned events. The 2012-2013 National Saddle Race points earning season started June 22, 2012 and ends June 2nd, 2013 (for all shows received electronically from Producer no later than June 3rd, 2013.) The top 20 point earners from each state, as well as all frozen contestants, in six separate categories will enter the National Finals with 40 points to 2 point respectively. Masters division will enter with 20 points down to 1 point respectively. There is a minimum of 5 shows requirement to be eligible for prizes.

1. Contestants must be a current member to earn points for the saddle race.
2. The Masters' Division will be a class of its own and the points will be kept separately, and contestants will enter the finals 20 to 1 points respectively.
3. A contestant will represent his/her home state. Points earned at shows outside a contestant's home state will be added to his/her total in the state in which he/she resides.
4. In addition to the Todd Jeys saddle, the top 20 point earners from each state will be eligible for other year-end prizes. However, a contestant must have attended 5 shows and may only claim one year-end award in the Sort for the Saddle contest.
5. In the event that a contestant's rating is changed, his/her points will be carried with him/her to the next division unless moving those points improves the contestant's standing in the points race. In this case, only the points that will put the contestant in the same standing as in the prior division will be carried over. Example: A NOVICE has 50 points and is in 4<sup>th</sup> place in the standings when she becomes an AMATEUR. The current 4<sup>th</sup> place AMATEUR has 30 points. In this case, the rider that is graduating from NOVICE to AMATEUR can only transfer 30 of her 50 points to the new division. The two riders will now be in a tie for the 4<sup>th</sup> place AMATEUR position.
6. Contestants graduating from Beginner to Rookie will be automatically qualified for the National finals with a minimum of 20 points in the Graduated Beginner division. A Beginner that graduates to a Rookie and then to a Novice will be eligible to ride in the Graduated Rookie and the Novice divisions at the 2013 Finals. Contestants graduating from Rookie to Novice will be automatically qualified for the National Finals in the Graduated Rookie division with a minimum of 20 points. All other contestants that are moved from one division to another will be automatically qualified for the Finals, with a minimum of 20 points, *in the division they graduated into*. Graduated contestants are eligible to compete for paybacks in every division for which they are qualified, but may only claim one year-end award in the Sort for the Saddle contest.
7. In the event that there is a tie on points for the Saddle and other top 10 prizes there will be a Tie Breaker. Total # of cattle sorted in all events that points were applied to is 1<sup>st</sup> tie breaker. If this does not solve the tie then we will go to the shortest amount of time it took to sort that amount of cattle.
8. Additional points earned at the National Finals will count towards year-end prizes, however the final day of the National Finals competition will not be counted.

**The RSNC National Finals is an open event; this means anyone may compete at this contest and win pay-backs as well as other prizes. Contestants that competed at 5 or more RSNC events during the '12-'13 season are eligible for maximum % on any payback. Only the top 20 point earners from each state that have attended 5 shows are eligible for the saddle or other year-end awards.**

# STATE CHAMPIONSHIPS 2013

## Official Contest Rules

Beginning January 1<sup>st</sup>, 2013 (or the first show after the previous State Championships in 2013), all RSNC contestants will have the opportunity to compete in a State Championship on the following New Year's weekend. Producers from your state, starting with the producer that submitted the most sanctioned teams, will be offered the opportunity to host a New Year's State Championship Finals. Numbers of teams are determined from National Finals to National Finals and the previous State Championship shows do not count towards team count. This gives producers ample time to prepare for the event. If a producer accepts the State Championship event, RSNC will help furnish awards. For every state that sanctions at least 5 RSNC shows in 2013, RSNC will contribute 6 Trophy State Championship awards. For every state that sanctions 10 or more shows RSNC will contribute prizes through 5<sup>th</sup> place in each of the 6 rating categories.

The points system through the year will be identical to the current RSNC National Finals point's race. First place contestants will earn ½ point for 3-4 teams, 1 point for 5-9 teams, 2 points for 10-14 teams, 3 points for 15-19 teams, 4 for 20-24, 5 for 25-29, 6 for 30-34, 7 for 35-39, 8 for 40-44, 9 for 45 and over up to 100 teams. If more than 100 teams in a class then the points will be doubled. These accumulated points will determine the contestant's placing in the Top 20 of each division for their state. Only top 20 contestants are eligible for prizes and the winners will be determined by total points won throughout the year and at the State Finals for each of the following categories. Beginner, Rookie, Novice, Amateur, Open and Masters.

Each First Place winning member from each rating category from each state will permanently be listed in the RSNC HALL OF FAME! The state high money winner and the high money horse from each state will additionally be enshrined into the RSNC HALL OF FAME!

Contestants must attend at least 5 shows in a state and compete at the State Finals event to qualify for that state's State Finals prizes. If a contestant qualifies in 2 divisions, they have the chance to win a prize in one of the 2 divisions. If a contestant qualifies in more than one state they have a chance to compete in more than one State Finals event.

In the event that there is a tie on points for the State Finals prizes there will be a Tie Breaker Rule: Total # of cattle sorted in all events that points were applied to will be the 1<sup>st</sup> tie breaker. If this does not solve the tie then we will go to the shortest amount of time it took to sort that amount of cattle.

Good Luck to all!
