# 2018 HAMPTON CLASSIC FLORAL PARTNER STATEMENT

I understand the following rules apply when decorating tables in any of the Hampton Classic VIP tents:

- Centerpieces may not be excessively full or dense. I agree to use 18" as a guideline for acceptable centerpiece height. I will relay to my client that they may be asked to remove oversized decorations if they block the sight line of the competition ring from other tables.
- No additional signage may be placed on or hung from the table.
- Any requests for special needs at a table (i.e. electricity) must be approved by the Hampton Classic by Monday, August 13th.
- No additional chairs may be added to a table besides the allotted 8 (upper level) or 14 (ringside) due to limited space. Only one small service table (4' x 30") may be added. This service table must be on the end opposite the aisle.
- When changing decor at a table, linens, table signs, and centerpieces that are the property of the Hampton Classic must be turned in to the tent hosts.
- Aisles must be kept clear of furnishings and tableware when setting up. I understand that noisy carts may not be used during the hours of competition.
- All furniture movement must be completed by 8am each morning, when competition begins. If replacing tables, new table(s) may not exceed or significantly alter the footprint of the table(s) provided by the Classic.
- I must retrieve a wristband from the security guard or tent hosts if I wish to work in the tents and that the hours of operation for decoration and clean-up are before 11 a.m. and after 4 p.m. each day.
- Nothing should be left on or under the tables overnight. Hampton Classic cannot take responsibility for items left at tables.
