

2010 CarePartners Hospice Tree Decorating
Text and photographs by Melissa Gunther

Bright and early Monday morning, November 22nd Fran and Carlos Kennedy, Melissa and Bob Gunther, Tammy and Don Peek, and Pat Thobe met at the Doubletree Hotel in Biltmore to decorate the CarePartners Hospice Tree with the 264 beautiful ornaments generously turned and donated by many CMW members (see list below). Southern Concrete, having been so happy with the CMW tree they purchased last year, bought the tree this year for \$1200. The proceeds will benefit the patients and families served by CarePartners Hospice.

A reception for the decorators and sponsors was held at the hotel Tuesday, November 23 so they could preview the trees before they went on public display from November 24 - November 28.

Thank you so much for making this worthwhile CMW project succeed:
