Here is what CODEPINK is up to in the coming months to push back on the Administration's priorities of waging war over supporting our own country's needs!

8/31: Iraq Troop Withdrawal

The Pentagon will be spinning Iraq as a success--let's use our collective experiences & voices to tell the truth and make sure this doesn't continue in Afghanistan! www.codepink.org/iraq

10/2: One Nation Working Together March on Washington

A massive broad-based coalition of labor, civil rights, human rights, immigration rights, environmental and peace groups coming together to march on Washington for jobs and accountability from the Obama Administration--join the CODEPINK contingent! www.codepinkdc.org

10/7-10, International Days of Action, 9th Anniversary of U.S./ NATO Invasion of Afghanistan

Join CODEPINK and a broad coalition of peace and justice orgs in action in your community or come to DC for a week of actions with CODEPINK DC and friends! **More info soon on our site!**

Ground the Drones Campaign

These deadly war machines must be stopped, and communities around the country are taking action! www.codepink.org/drones

Brown Bag Lunch Vigils w/ PDA & WarIsACrime

Activists around the country are vigiling regularly in their representative's offices to stop the war funding. Connect w/ your local chapter doing vigils! www.codepink.org/locals

Bring our War \$\$\$ Home

CODEPINK chapters are making noise about the cost of war and impacts in their own communities. Taking leadership from our rockin' Maine local group, tools, tips and action ideas **will be posted soon!**
