♥ *Book your travel today for the most affordable airfares!* ♥

Dear friend,

As we watch horrors continue around the world; as fear, fundamentalism and force become the modes of diplomacy, as we sit travel to Jordan after our 30 day outside the White House on a Hunger Fast, we remember the importance of being informed and supported by our community. This summer we have an opportunity for the women of **CODEPINK** to gather together from August 24th to 27th in Austin, Texas.

Imagine four days of contemplating peace, creating peace, being peace...

Now imagine sharing those days with amazing women like **Cindy Sheehan, Anne Lamott, Molly Ivins, Rha Goddess, Diane Wilson, Rebecca Solnit, Inga Muscio, Lillie Allen, Nina Wise** the co-founders of **CODEPINK** and over 100 other peace-loving women.

This deeply inspiring retreat offers leading edge trainings and workshops with dynamic leaders. We'll share our stories, skills and strategies to deepen our connection and commitment, while celebrating community in song, dance and creativity at the luxurious Crossings Spa outside Austin! Massage with every registration!

Volunteer and scholarship opportunities available! [Click here for more info.](#)
