

A wooden rowing boat is positioned on a calm body of water, likely a lake or river. The boat is made of light-colored wood and has several oars resting inside it. The water is still, reflecting the surrounding landscape. In the background, there are green hills or mountains under a clear sky. The overall scene is peaceful and scenic.

A man with a long, curly beard and hair, wearing a simple brown cloth around his waist, is shown from the chest up. He is looking intently at a large, dark, textured rock. His hands are pressed against the rock, one on the left and one on the right, framing a message written in white, hand-painted letters. The background is a lush, green jungle with large leaves.
