

**“Teaching Probability on a Dime!
(Well, Maybe *Two* Dimes!)
NCTM Annual Conference 2017**

Hello, wonderful conference participants!

The NCTM website would only let me upload a pdf, not the PowerPoint file itself.

I would be glad to email the PowerPoint and all other documents to you –

Please just email me at jfillingim@madison-schools.com.

I apologize for the inconvenience.

Thank you again for your willingness to participate and share today!

Sincerely,

Dr. Jennifer “Filly” Fillingim
