

## Embedding Formative Assessment Within an Instructional Routine

### **Description:**

The thoughtful use of formative assessment has been shown to improve student outcomes but can be challenging to integrate into practice. Come experience an engaging and flexible instructional routine and then unpack the use of formative assessment strategies embedded within the routine.

### **Goals:**

- Participants will learn about an instructional routine they can use with their students by experiencing the routine as learners as I model the routine.
- Participants will learn how to embed formative assessment strategies within an instructional routine by unpacking the instructional routine to make explicit the formative assessment strategies embedded within it.

### **Agenda:**

Time	Activity	Resources
4 minutes	Introduce myself Introduce goals of the workshop Describe structure of the workshop	Slides
4 minutes	Read brief definitions of each formative assessment strategy (with citations) Look for these formative assessment strategies in this routine as I enact it	Slides
15 minutes	Enact Contemplate then Calculate #1	Slides + posters + booklet
5 minutes	Brief turn and talk between enactments: What aspects of the formative assessment strategies did you see?	Slides
15 minutes	Enact Contemplate then Calculate #2	Slides + posters + booklet
30 minutes	Idea Carousel 5 sections so	Posters
2 minutes	Wrap up / Next steps	Slides
