

Your Name: _____

Per:_____

MATHEMATICALLY SPEAKING

Step 1: Decide which problem you will solve.

Step 2: Solve showing work. Check you answer.

Step 3: Describe to your partner how you solved the problem. Explain your thinking. As you talk, your partner will listen and check off each vocabulary term you use. Try to use as many of the words as possible. Switch turns. As you listen to your partner, encourage them to use as many of the words as possible and to explain clearly.

Step 1: Choose a problem

A.	B.
----	----

Step 2: Solve Showing Work

Step 3 & 4: Turn and Talk

[illegible]A handwriting practice sheet with three sets of horizontal lines. Each set consists of a solid top line, a dashed middle line, and a solid bottom line, providing a guide for letter height and placement.
