Subject: Appellate Retention - Nov. 6

The General Election Day is Set for Tuesday, November 6, 2012. The following is a list of all members of the Appellate Courts who are up for retention. The Oklahoma Judicial system is currently under attack by special interests. As a member of the State Bar, I believe we must do what we can to protect our judicial system. These are all excellent jurists who deserve be retained to. It would be a great loss to the citizens and businesses of this state to lose any of these judges or justices. Most voters turn to attorneys they know for guidance on how to vote in these races. Please spread the word to your family and friends that we need their vote for retention.

These are nonpartisan judicial retention races. Voters may vote either to retain or not retain these judicial officers. Voters vote separately on each justice or judge; they are not running against each other. All voters in the state will vote on these retention races.
