Things to know

Double Coverage

Today's matchup to watch: Oklahoma State LT Russell Okung Vs. Grambling State DE Christian Anthony

The Tigers defensive end had two interceptions a week ago, returning one for a touchdown and returning another to deep into the opponent's territory before pitching it to a teammate for another score. But he hasn't been playing against Russell Okung, who could be playing on Sundays if he wanted to.

Bringing the lumber

Today's player to watch: Richetti Jones, DE, Oklahoma State

Jones was the standout defensively against Rice. If the highly regarded recruit out of Lincoln High in Dallas, Texas can continue to get pressure on the quarterback on a weekly basis, that would take OSU's defense to another level.

In the crosshairs

Today's players who will be tested: Maurice Gray, CB, Oklahoma State

Gray will likely play extensively regardless if senior Perrish Cox plays or sits the game out. The senior had his ups and downs against Rice and will be counted on to step up with Big 12 play quickly approaching. A strong game from Gray would lessen concerns about depth at the cornerback spot.

Watch out for...

Unknown player who could make an impact: Daytawion Lowe, S, Oklahoma State

Lowe has been making plays for the Cowboys on special teams and will likely see plenty of time at his safety spot against Grambling State. The former Carl Albert standout has four tackles in limited action this season.

Clippings

Oklahoma State 48 ... Grambling 17

"Zac Robinson looked closer to his 2008 form last week against Rice, although the Cowboys' struggling pass defense continues to be a concern. Grambling has been plagued with 12 turnovers in its first three games and will be facing an opportunistic Oklahoma State defense intent to boost that total."
