## Things to know

### Double Coverage

#### Today's matchup to watch:

#### OSU QB Zac Robinson vs. Rice S Andrew Sendejo

Robinson is looking to regain his explosive form and spark the big plays Cowboys fans are accustomed to. Sendejo, who is averaging 11.5 tackles per game, is the Owls' last line of defense at his safety spot. If Robinson can get Sendejo out of position with his eyes or with his legs, the Cowboys big-play offense may return to ESPN's daily highlight reel.

### Main in motion

#### Today's player to watch:

#### OSU HB Beau Johnson

With Kendall Hunter ailing, Johnson is expected to split time with Keith Toston. Johnson took advantage of his carries against Houston, rushing nine times for 82 yards and a score. Beau knows running, Beau needs more opportunities.

Beau Johnson

### In the crosshairs

#### Today's coach who will be tested:

#### Rice offensive coordinator Ed Zaubrecher

Rice has limited playmakers on offense and is searching for a quarterback. Zaubrecher has his work cut out for him to try to come up with a gameplan to score points against an OSU defense looking to prove last week was a fluke.

### Watch out for...

#### OSU underclassman who could make an impact:

#### WR Tracy Moore

The true freshman from Tulsa Union saw action against Georgia and Houston. Expect Moore to see plenty of playing time as a slot receiver and don't be surprised if he finishes the game with multiple catches. He's sure-handed and seems to have a knack for getting open.

### Clippings

#### Oklahoma State 62, Rice 20

"There's no Owl pass rush to pressure Robinson, no talent in the secondary, and no hope to keep OSU under 60 points if the light finally goes on. Oklahoma State will get its groove on against a Rice defense that couldn't keep you and ten friends under 300 yards passing. There will be a lot of angst taken out on the weebegone Owls."
