

JOURNEY TO THE SEA

OKLAHOMA AQUARIUM

Student Exhibit Design Contest!

How would you like to **roll up your sleeves** and feel the **slippery back of a stingray**, or the **dramatically different** texture of a **swimming shark**?

Enter the **Journey to the Sea Contest** and you could **win** a **free field trip** to the Oklahoma Aquarium

Design a new exhibit for any animal at the Oklahoma Aquarium and include a brief explanation of the features of your creation. You can use any art materials including, but not limited to, paper, posterboard, paint, markers, three-dimensional materials such as clay, papier mache or wood (exhibit pieces cannot exceed 1.5 feet all the way around). Students may work individually, in teams or as a class, but each student may be party to only one entry. Entries and accompanying entry forms must be received by *The Oklahoman* by March 20th.

Designs will be judged on overall creativity, adherence to the theme and educational content. The winner will receive a field trip to the Oklahoma Aquarium for one bus-load of students and chaperones. *(The number of riders must be compliant with state law relative to the age of the students and the size of the bus.) Scheduling is required.
