**ANCILLARY SERVICES**

**BIDDERS/CONTRACTOR'S LEGAL NAME:** Knighr Athletics Inc.

A Contractor may choose to offer ancillary services in conjunction with the products it provides to the Purchaser. However, any ancillary services offered must be:  
(1) expressly authorized in the original IFB/Contract, (2) directly related to the delivery, installation or normal use of the product or component parts purchased,  
(3) limited to the actual product or component parts purchased, and (4) initiated/ordered at the time of product purchase. Stand-alone services and services for products  
not purchased from this supply Contract, including existing equipment for which component parts from this contract are purchased, are not within the scope of  
this supply Contract. The Department of General Services reserves the right to determine which ancillary services shall be included in any contract.

The Bidder may submit the list of ancillary services and prices it proposes to offer. If it is not possible to submit pricing, as may be the case with certain installation services, the Bidder shall simply note that it is offering the service and that the actual price will be negotiated between it and the COSTARS participant and annotated on the purchase order at time of order.
